Hello Los Angeles Unified Parents & Community Partners,

Superintendent Beutner gave an update today to the school community. He provided an update on the Primary Promise for our youngest learners. This reflects Los Angeles Unified's commitment to make sure every student has the foundation to realize their full potential.

Please view the video [here](#) and attached are the Superintendent's remarks. Remember, you can read the remarks included in the message by activating the closed captioning text on the bottom right hand corner of the screen where you see the [CC] icon.

Thank you for your continued patience and support.

Sincerely,

Antonio Plascencia, Jr.
